* Give the Gift of *Backyard Birds*

Unique gift ideas to share the joy of birds and nature.

SEASONS GREETINGS!

It is such a special time of year, a time to gather together and share the blessings of life with those that are closest to us. We see it manifested every year as customers visit our Wild Birds Unlimited stores because they want to share their passion for nature and birds with their family and friends. They understand that the gift of nature continues to bring joy to the recipient's life long after the luster of other gifts has faded.

Here are some of our store's very best backyard bird and nature gifts that will delight any recipient. We also offer **free gift wrapping** with any purchase. We wish you and your family a joy filled, peaceful and safe holiday season, from the entire team at Wild Birds Unlimited – Joliet.

WINTER BLEND

During the winter's short daylight hours and colder weather, birds need every bit of nutrition available to get through the long night. Winter SuperBlend® is a nutritional powerhouse and can be used on its own or mixed into your normal seed blend.

BARK BUTTER

No bird food attracts more species of birds than Bark Butter®. Bark Butter® has been known to attract over 152 bird species.

Bark Butter is a spreadable suet that can be easily smeared on tree bark or a Bark Butter Feeder.

Bark Butter® Bits are bite-sized nuggets and allows you to easily offer Bark Butter either mixed with other seed or in a cup.

Winter Bird Feeding

Bird feeders can be an important food source during winter. When severe weather impacts wild food supplies, some species of birds will turn to feeders as a critical food resource.

ROOSTING BOXES

Providing roosting boxes for birds during the fall and winter will give the birds much needed shelter on cold nights. As the temperature drops in the winter, birds will gather to share body heat--in which to keep warm.

HEATED BIRD BATHS & DE-ICERS

WBU offers a variety of thermostatically controlled heated birdbaths and de-icers that keeps your birdbath ice free throughout the winter.

WEATHER GUARDS

Keep the snow & rain off your feeders and keep your seed dry with Weather Guards. WBU offers weather guards in a variety of in color and sizes

Feed the Birds, Not the Squirrels

Choosing the right combination of feeder, pole, baffle, cage and food can generally keep unwanted critters off your feeders.

ONGUARD CAGES

Allow small birds to eat while deterring squirrels and larger nuisance birds.

SQUIRE PROBLEMS? ELIMINATED!

Protect your bird seed bounty from squirrels with our Eliminator™ and Fundamentals bird feeders. When a squirrel touches the perches or perch ring, its weight closes the seed ports, foiling its seed-stealing plot.

BAFFLES

Pole Baffles deter squirrels from reaching your feeders from below.

Dome Baffles deter squirrels from reaching your feeders from above.

HOT PEPPER BIRD FOODS

Keep critters away from Any Feeder with our hot pepper bird foods.

Fiery Fest and Sun Fire Chips These hot-pepper treated versions of our best-selling No-Mess blend and straight sunflower chips discourage squirrels and allow birds to feed.

Hot Pepper Seed Cylinders, Suet Cakes and Stakables. All of these foods allow you to feed the birds almost anywhere with any type of feeder.
